Signed: _____ Date: _____

The Royal Society of Chemistry hereby grants permission for the use of the material specified above in the work described and in all subsequent editions of the work for distribution throughout the world, in all media including electronic and microfilm. You may use the material in conjunction with computer-based electronic and information retrieval systems, grant permissions for photocopying, reproductions and reprints, translate the material and to publish the translation, and authorise document delivery and abstracting and indexing services. Please note that if the material specified above or any part of it appears with credit or acknowledgement to a third party then you must also secure permission from that third party before reproducing that material. The Royal Society of Chemistry is a signatory to the STM Guidelines on Permissions (available on request).
